

Maximus Software Update Procedure

1

Go to the Main Menu and click on Settings

2

Ensure the Maximus is connected to Wi-Fi by clicking on the Settings Icon and then Network

3

Updating Icon will display if update is available

4

Press Update Icon and wait for update to finish

To ensure the update is able to be performed, please contact your IT department and confirm that the ports below are open to allow communications between ARGOS Server and the Maximus:

- 443 in TCP
- 1194 in UDP

Register for Argos (Optional)

1

Open up your web browser and go to:
prod.e-xteq.com/ArgosV2

2

Click Register

3

Complete each field and hit the Register button once finished

4

Confirm E-mail, this is required to assist in the event of a forgotten password

5

Login with Username and Password on the Maximus
